

The Dutch contribution to the International Hydrological Programme ( [IHP](#) ) of [UNESCO](#) is coordinated by the Netherlands' National Committee IHP-HWRP. The Committee – which serves the Government of the Netherlands as a whole – is established as an interdepartmental advisory commission of two Dutch ministries:

- the Ministry of Infrastructure and the Environment, formerly the Ministry of Transport, Public Works and Water Management ( [V&W](#) )
- the Ministry of Education, Culture and Science ( [OCW](#) )

The Netherlands National Committee IHP-HWRP consists of a core team and the Committee at large. The Committee is advised by a scientific advisory board, which is formed by key hydrological scientists from all the relevant Dutch institutions.
